ADD-ON: SHOW PARTY NAME FOR DELIVERY NOTE

Highlights:

With this Add-on, it shows Party Name in Register for Delivery Note Voucher instead of Item Name.

Description:

In most organizations, it is requiring to show Party Name in Delivery Note Register, or in Day Book to know whose delivery note is this for. With this add-on it shows Party Name instead of Item Name in Day Book or Delivery Note Register.

We have option in F12 Configuration to show or not to show.

Steps:

After Install with Tally Prime, Enable Add-on from F1: Help > TDL & Add-ons > F6: Add-on Features

Add-On Features
